

## - preliminary - AGENDA

TEMPUS training Medical Genetics at Medical University of Graz

October 19<sup>th</sup>-23<sup>rd</sup>, 2015

October 19 <sup>th</sup> , 2015			
Time	Description	Location	Presenter
11:30 – 12:00	Welcome & Introduction: Med Uni Graz – Biobank Graz	Biobank Graz	Karine Sargsyan
12:00 – 13:30	Lunch	Medicus	
13:30 – 15:30	Preanalytics and impact on sample quality - <b>guided tour</b> through the Biobank Graz facilities	Biobank Graz	Tanja Macheiner

October 20 <sup>th</sup> , 2015			
Time	Description	Location	Presenter
09:00 – 12:00	<ul style="list-style-type: none"> <li>- Genetics and genetic counselling: routine processes</li> <li>- Genetic diagnostics</li> <li>- Education in medical genetics</li> </ul>	Institute of Human Genetics	Thomas Schwarzbraun, Erwin Petek
12:00 – 13:30	Lunch		
13:30 – 15:30	<ul style="list-style-type: none"> <li>- Laser capture microdissection</li> <li>- Procedures at Histology</li> </ul>	Institute of Cell Biology, Histology & Embryology	Amin El-Heliebi

October 21 <sup>st</sup> , 2015			
Time	Description	Location	Presenter
09:30 – 12:30	<ul style="list-style-type: none"> <li>- Guided tour at genetics laboratory</li> <li>- Overview of genetic diagnostics</li> <li>- Research in Genetics</li> </ul>	Eingangsgebäude UR KW 12 & KIMCL (Clinical institute for medical and chemical lab diagnostics)	Wilfried Renner
12:30 – 14:00	Lunch	Kostes	
14:00 – 15:00	Funding possibilities	Biobank Graz	Kristina Kofler
19:00	Social event: Dinner at Restaurant “Thomawirt”	Restaurant Thomawirt	

October 22 <sup>nd</sup> , 2015			
Time	Description	Location	Presenter
09:00 – 12:00	<ul style="list-style-type: none"> <li>- Welcome, Road Show &amp; Guided tour through Center for medical research (ZMF): FACS, Imaging, Lipidomics, Clinical Research Center</li> <li>- special focus on <b>Core facility Molecular Biology</b></li> <li>- Quality Management at the ZMF</li> <li>- Project handling in the Core facility Molecular Biology</li> </ul>	ZMF: Center for medical research	Ingeborg Klymiuk
11:30 – 13:00	Lunch	Canteen	
13:00 – 16:00	Free time OR <ul style="list-style-type: none"> <li>- Biobanking in Europe – possibilities &amp; challenges</li> <li>- cost calculation in research facilities</li> </ul>	Biobank Graz	Karine Sargsyan, Petra Story

October 23 <sup>rd</sup> , 2015			
Time	Description	Location	Presenter
09:00 – 12:00	Breast Carcinoma Pathology incl. Molecular Diagnostics	Department of Pathology	Peter Regitnig
12:00 – 13:30	Lunch	Canteen	
13:30 – 16:30	<ul style="list-style-type: none"> <li>- Genomic research – overview</li> <li>- Molecular pathology: routine laboratory; diagnostic processes</li> <li>- Next generation sequencing</li> </ul>	Institute of Pathology	Karl Kashofer

## DIRECTIONS TO BIOBANK GRAZ

ZWT, Neue Stiftingtalstrasse 2, 8010 Graz, **Entrance B, 2<sup>nd</sup> floor**

### How to get there:

#### By train:

From Graz Central Station take tram no. 7 (direction Graz St. Leonhard/LKH-Univ.-Klinikum), get off at terminal stop and proceed toward the ZWT-building as shown below. The Biobank Graz office is located at Entrance B on 2<sup>nd</sup> floor.

#### By plane:

From the Airport Graz-Feldkirchen take the train to Graz Central Station, change to tram no. 7 (direction Graz St. Leonhard/LKH-Univ.-Klinikum), get off at terminal stop and proceed toward the ZWT-building as shown below. The Biobank Graz office is located at Entrance B on 2<sup>nd</sup> floor.

#### By car:

Take freeway A2 in direction Graz-Ost, exit at „Raaba“ and proceed toward the city center, LKH (hospital), keep on following the LKH-signs. Parking facilities: Visitors car park „LKH-Univ.-Klinikum“ or basement garage below the „Eingangsgebäude“ (Billa parking garage).

or

Take freeway A9, exit at „Graz-Andritz“ and proceed toward the city center, LKH (hospital), keep on following the LKH-signs. Parking facilities: Visitors car park „LKH-Univ.-Klinikum“ or basement garage below the „Eingangsgebäude“ (Billa parking garage).
